The battery for the garden

PROFESSIONAL POWER TOOL SOLUTIONS

Make your garden cordless.

The new cordless garden range from Metabo.

Whether in horticulture and landscaping or also when caring for green spaces and parks - the Metabo cordless garden tools support you in the different application areas. From mowing, cutting, trimming and maintaining to cleaning.
Powerful. Comfortable. Cordless.

2 x 18 Volt cordless brush cutter
FSD 36-18 LTX BL 40
FSB 36-18 LTX BL 40

18 Volt cordless leaf blower
LB 18 LTX BL

18 Volt cordless backpack sprayer
RSG 18 LTX 15

18 Volt cordless hedge trimmers
AHS 18-55 V
AHS 18-65 V

Cordless shrub and grass shears
12 V: PowerMaxx SGS 12 Q
18 V: SGS 18 LTX Q

2x 18 Volt cordless lawn mower
RM 36-18 LTX BL 46

200 machines – 20 brands – 1 battery pack

You will find all the freedom in the 18 volt class with the Cordless Alliance System. 100% compatible with Metabo and CAS partner machines.
Further information on CAS visit www.cordless-alliance-system.com

3 year battery pack warranty

No restriction in charging cycles

The entire range can be found at www.metabo.com/au/en

Contents

Cordless garden tools**from page 4**

Powerful cordless tools for varied application areas.

Mains-powered hedge trimmers**from page 16**

Powerful hedge trimmers for perfect care.

3 in 1: Mowing,
collecting, mulching.

18V

Areas up to
800m²

High cutting performance and long runtime per battery pack charge
thanks to powerful Brushless motor

Maximum runtime
thanks to automatic adjustment of the motor power depending on the grass height

Easy cutting height setting
in 7 stages

Robust with a long service life
thanks to metal cover and high-quality mower blade

► We recommend the LiHD battery pack 18 V / 10.0 Ah.

45 minutes of runtime per battery pack LiHD 10.0 Ah for high grass

2x 18 Volt cordless lawn mower
RM 36-18 LTX BL 46

Cutting width	46 cm
Cutting height from-to	25-80 mm
Collection bag volume	55 l
Weight (without battery pack)	24,5 kg

Scope of delivery

Without battery pack,
without charger
601606850

\$549 RRP*

BRUSHLESS

18 V + 18 V = 36 V

Mulch
The collection bag is removed and the mulching insert must be installed. The cut material is shredded finely and is ejected onto the lawn as natural fertiliser.

Collecting
With the collection bag, the cut material can easily be collected and disposed of as usual.

Space-saving
Easy transport and space-saving storage thanks to carry handle and double folding bow handle

Comfortable and flexible working.

18V

BRUSHLESS

18 V ⊕ 18 V ➔ 36 V

45 min. runtime¹

Metabo Quick thread change
Fast and without tools, without removing or opening the spool.

Flexible working
thanks to stepless speed control.

Loop handle:
In tight spaces

Bike handle:
On larger areas

2 x 18 Volt cordless brush cutter

High cutting performance and long runtime

thanks to Brushless motor

Easy readjustment of the thread

by means of short tapping of the spool head while working

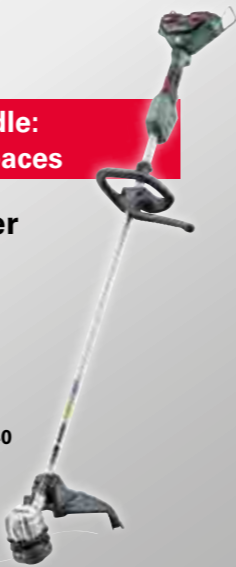

► We recommend the LiHD battery pack 18 V / 10.0 Ah.

¹per battery pack LiHD 10.0 Ah in high grass

Powerful and quiet.

18V

BRUSHLESS

- Powerful**
for fast removal of leaves and dirt from squares and paths
- Perfect ratio of power and runtime**
- Precise amount of the blowing force**
thanks to steplessly adjustable air velocity
- Particularly environmentally-friendly and silent**
can also be used in areas sensitive to noise

► We recommend the LiHD battery pack 18 V / 10.0 Ah.

35 minutes runtime per battery pack LiHD 10.0 Ah

18 Volt cordless leaf blower
LB 18 LTX BL

Air volume up to	650 m3/h
Air velocity up to	150 km/h
Sound power level	89 dB (A)
Weight (without battery pack)	2,1 kg

without battery pack,
without charger
601607850

\$249 RRP*

Effortless,
cordless spraying.

18V

Stepless working pressure setting
Precise dosing of the spraying volume to match the application

Constant spraying pattern
ideal for uniform spraying of plant boosters and pesticides

High spraying volume per battery pack charge

High degree of wearing comfort
thanks to ergonomic tank shape and padded shoulder straps with click closure

► We recommend the Li-Ion battery pack 2.0 Ah

4 hours of runtime per battery pack
Li-Ion 2.0 Ah at 1.5 bar

18 Volt cordless backpack sprayer
RSG 18 LTX 15

Fill volume	15 l
Operating pressure	1-3 bar
Throughput	0,3-1,9 l/min
Weight (without battery pack)	4 kg

Without battery pack,
without charger
602038850

\$599 RRP*

1 machine - 2 applications.

12V / 18V

Shrub shears for precise form cuts on shrubs and bushes

Grass shears for clean lawn edges

Metabo quick system
Tool-free quick change of the two blade attachments for fast working

Gentle working
Stable telescopic rod for precise cutting of lawn edges whilst being gentle on the back

Best cutting results
thanks to laser-cut, diamond-ground blades

Low-fatigue working that protects the user's health
light machine with maximum quiet running

High user safety
thanks to safety switch and blade quick stop

► We recommend the Li-Ion battery pack 2.0 Ah

165 minutes of runtime per battery pack Li-Ion 2.0 Ah with shrub blade at 12 V / 18 V

Cordless shrub and grass shears

No of strokes (no load)	2.300 /min
Weight (without battery pack)	0,8 kg
With shrub blade	
Cutting length	20 cm
Cutting thickness	8 mm
With grass blade	
Cutting width	11,5 cm

	18 V	12 V

Price incl. GST	RRP* \$149	RRP* \$149

- 2 in 1: Shrub shears for precise form cuts on shrubs and grass shears for clean lawn edges
- Metabo quick system: tool-free quick change of the two blade attachments for fast working
- Best cutting results thanks to laser-cut, diamond-ground blades
- High user safety thanks to safety switch and blade quick stop
- Lightweight with maximum smooth running for low-fatigue working whilst protecting the user's health
- Slim, rubberised grip area for comfortable and safe guiding of the shrub and grass shears
- Stable telescopic rod for precise cutting of lawn edges whilst being gentle on the back. This rod is available as an accessory.

Accessory tip

628426000

Light.
Powerful.
Safe.

18V

Highly efficient
Double reduction gearing for particularly high cutting performance.

Durable blades
Blades with improved geometry generate less wear and thus deliver 200% longer service life.

Light and powerful
with low running noise for noise-sensitive areas

Clean cut
thanks to diamond-ground blade teeth on both sides

Safety thanks to electronic blade quick stop (0.3 s)

► We recommend the LiHD battery pack 18 V / 10.0 Ah.

88 minutes runtime per battery pack LiHD 10.0 Ah

- Light, powerful cordless hedge trimmer with low running noise for noise-sensitive areas
- Blades with special geometry generate less wear and thus deliver 200% longer service life
- Clean cut thanks to diamond-ground blade teeth on both sides at a30° angle
- Lower safety blade for high safety at work
- Top cutting performance generated by double reduction gearing
- Pleasant to work with thanks to low-vibration run, perfect ergonomics and soft-grip handle
- Safety features include electronic quick stop of the blade (in 0.3 seconds)
- Trigger guard with twig feed protects user and gear from kickbacks
- Ultra-M technology: highest performance, gentle charging and 3 years of warranty on the battery pack.

Safety thanks to patented, mechanical blade quick stop (0.05 s)

Protects blades and gears

Metabo S-automatic is activated in case the tool jams due to foreign bodies

Safely plugged in

Cable tension device prevents the power cord from disconnecting from the adapter of an extension cable

- Patented Metabo handle system with additional switch for up to 50% more reach and range
- Low weight avoids fatigue when working
- Patented mechanical quick blade stop (in 0.05 seconds) for improved safety
- Blades with special geometry generate less wear and thus deliver 200% longer service life
- Clean cut thanks to diamond-ground blade teeth on both sides at a 30° angle
- Lower safety blade for high safety at work
- Metabo S-automatic safety clutch: Protects blades and gears when debris or large branches stop the blades
- Fatigue-proof operation due to ergonomic full grip bow-type handle design and optimum centre of gravity position
- Very quiet running due to shear blades running in opposite direction
- User-friendly guidance of machine exhaust in all working situations
- Easy servicing thanks to cable replacement cover
- Cable strain relief prevents the unintentional disconnection of the plug-in connection
- Trigger guard with twig feed protects user and gear from kickbacks

More reach
Patented Metabo handle system with additional switch for up to 50% more reach.

Durable blades
Blades with improved geometry generate less wear and thus deliver 200% longer service life.

Trigger guard
The extra large guard protects the user from debris and from kickback, for example, when snagging walls, tree trunks or rocks.

HIGH DENSITY LITHIUM

THE MOST POWERFUL 2-ROW BATTERY PACK TECHNOLOGY IN THE WORLD!

NEW

4.0 Ah

5.5 Ah

8.0 Ah

10.0 Ah

MORE POWER

Thanks to the new LiHD cell technology, in combination with a newly developed battery pack

- Busbars and larger contacts capable of handling high currents
- 3x better conductivity thanks to cell connectors made of a specialized copper alloy

LONGER RUN TIME

- More active material in the new 21700 cells
- Use of higher-quality materials (silver and copper)

LONG SERVICE LIFE

- Optimal protection against internal contamination through complete grouting and full protective coating on the electronic components, as well as an optimal seal on the top structure
- Cells protected by a rubber buffer
- Less frequent charging thanks to more usable cell energy
- Exterior rubber coating on the battery pack provides secure, non-slip stability and protects against impacts

DEALERSHIP:

3 Year Cordless Tool
Warranty

3 Year Battery Pack
Warranty
Unlimited charge cycles!

Ultra-M Technology
Perfect interaction
between tool, battery pack
and charger.

100% Compatibility
with all Metabo 18 volt cordless
machines, yesterday, today and
in the future.

One battery, many solutions. Cross-manufacturer. 100 % Compatibility.
